

## **Indigenous Knowledge Researcher**

### **Mi'gmawé'l Tplu'taqnn Inc.**

Mi'gmawé'l Tplu'taqnn Incorporated is a not-for-profit organization created by the Mi'gmaq First Nations in New Brunswick. Its objectives include promoting and supporting: the recognition, affirmation, exercise, and implementation of the Aboriginal and Treaty rights; the right of self-determination; political, cultural, economic, educational, and social development; justice and equity; wider respect and understanding; and general awareness of its member communities and their Mi'gmaq laws, rights, values, traditions, customs and practices.

Mi'gmawé'l Tplu'taqnn is seeking a person to work as an Indigenous Knowledge Researchers for the Mi'gmaq communities within New Brunswick. The position includes, but is not limited to, the following key job functions and responsibilities:

### **Key Responsibilities**

- Desktop and community-based research on Mi'gmaq Indigenous Knowledge, Land Use and Occupancy, including:
  - Conducting research and interviews with elders and other land users;
  - Knowledge translation (especially cultural knowledge translation); and
  - Coordinating community cultural values sessions and additional community sessions;
  - Undertake Transcription, coding and verification for multiple projects;
  - Undertaking research projects and preparing reports in relation to subject matters under negotiation with the federal and provincial Crown;
- Presentation of research findings and technical details, interest papers, etc. at community meetings, negotiations' tables, Chiefs and Councils and other Mi'gmaq community members;
- Prepare research reports from literature reviews which supports the various research projects through Archival Research and Historical Document Research;
- Prepare interim and final reports;
- To provide support to Chiefs and Negotiators on Indigenous Knowledge and Research matters;
- Working with the Director and other Research Officers and Researchers;
- Coordinate individual interviews with knowledge holders;
- Collaboration with the GIS Coordination Team;
- Collaboration with other staff, consultants and advisors as required;
- Report to and take direction from the Chiefs through the MTI Executive, legal counsel, and Executive Director on a weekly basis and whenever else required;
